

2012 100×80cm

作品名称：根 材料：宣纸，综合材料

作品说明：所有人都会经历这样的人生境遇，因一次暂时的失重而立足在一个点上寻求平衡，这个点恰恰是另外一个人最稳固的位置。从此开始了漫长的人生。这就是人与人的普遍关系，一稳俱稳，繁衍成根。我体验着这种感受，因此创作了这幅画。

Title: Root; Material: Rice paper, mixed materials

Remarks: Everyone will experience these circumstances in life. Because of a temporary feeling of losing balance, one will seek to regain that balance at that particular spot, and that spot will just happen to be where someone else is most stable. From then on begins a life-long journey. This is the universal relationship between people: one person's balance allows the other to find it as well, and together they begin to firmly stake in a root. I experienced such feeling and this was the reason for this art piece.
